Dear Colleagues,

As a reminder, the first **Plymouth State Town Hall Meeting** of the new academic year will take place on **Monday, October 30 from 3 to 5 p.m.** This is the first in a series of Town Hall Meetings that will be held during the academic year. We've adjusted the format of these meeting to be more conducive to detailed information sharing and discussion related to a specific topic. The October meeting will be focused on our finances, enrollment, retention and persistence and how this relates to URSA phase-two a.k.a. University Review for Strategic and Innovative Growth—URSIG. We will continue our discussions that began during University Days surrounding student success and the Drive to 85 (retention).

Following a 30-minute overview presentation, the meeting will continue with small group breakout sessions designed to answer your questions regarding our financial position and the role each of us play in strengthening that position and helping our students succeed.

[Please RSVP](#), if you have not already done so, by replying to this email so we can finalize the number of facilitators and rooms, with location in Merrill Place Conference Center, and possibly HUB Hage room if needed.

Thank you,

Office of the President
